MUCH POLITICS ON MANCHURIA

There's politics every minute on the Manchuria going up to the Coast. When the big Pacific Mail liner left Honolulu yesterday she carried such Taft men as Charles Rice of Kauai, John Wise and Billy Hoogs, while ex-Governor Carter and Jack Atkinson are beating the bazon for Roosevelt. Hoogs, Carter and Atkinson aren't delegates, but the two last-named will be at the convention and Hoogs may be. Carter and Jack are credited with nursing a few political ambitions yet, and if Roosevelt lands on top there's no harm in being nearly to remark incidentally that they were for him all the time.

The politicians made arrangements to receive wireless messages on the Ohio primaries.

Style that stays stylish

YOU young fellows who know

and like the smart distinction of style in the

clothes we sell, can best

understand why we say

so much about quality.

You want style; but what's

the good of style that doesn't

stay stylish? Do you know

what it is that keeps these

Hart Schaffner & Marx

clothes looking well, even after

a whole season's wear? It's the

most important thing to know

about clothes.

All-wool fabrics first; there

are plenty of clothes that are

not all wool. Scientific shrink-

ing by cold water; a process

that cotton mixtures can't stand.

The best tailoring; skilled hands

shaping the garment, not just

sewing seams together.
